Phil Hayes went fishing last Wednesday afternoon at Hood Lake and caught seven blue gill bream weighing 7½ pounds. (He threw one small one back.) Phil used crickets and a pole and said, "These are the biggest fish I ever caught, and my daddy's going to have them mounted." He said his daddy went along too, "but he didn't catch any - I caught them all!" Phil is the 11-year-old son of Mr. and Mrs. Charles P. Hayes III.

Ronnie Powell, son of Mr. and Mrs. Roland Powell, was presented the "72-73 Donald Bowdon Memorial Award. This award is given each year to the senior athlete who has excelled in all sports and ranked high in academic achievements, leadership ability and has a good attitude toward his fellowman.

Mrs. Wayne Marler and Mrs. Lewis Pearce entertained Miss Donna Adkinson and other senior girls at a morning Coke party in the home of Mrs. Pearce. Misses Vonda and Mitzi Marler assisted in serving refreshments. Those attending were Cindy Stokes, Vicki Taylor, Henrietta Gaines, Debra Coon, Ginny Saurin, Debbie Willis, Elaine Head and Mrs. Wayne Adkinson.

Janice W. Smith, daughter of Mr. and Mrs. David Windham, has been initiated into Phi Kappa Phi honorary society, at Auburn.

Another milestone in the growth of Elba occurs this week when Southern Benefit Life Insurance Company formally takes possession of their new \$90,000 office building.

Beautiful and elaborate are the words best describing the yard surrounding the home of Mr. and Mrs. T.T. Rhodes on Brantley Road. Despite the dry spell, flowers and shrubs in the Rhodes' yard look good.

William Jordan Bullard, lifelong resident of Elba, died at his home Saturday morning, May 23, about 2:30 o'clock. He had been ill for several months. Mr. Bullard was a World War I veteran and was known for his

generosity and sympathy for his fellowman.

Little Sara Ann Marler, eight years old, gave her daddy a lesson on how to fish Saturday afternoon. Fishing at the Coffee County pond with her father, Herbert Marler, Sara Ann hooked a 1½-pound trout while Daddy didn't catch a fish.

On Friday, May 1, the Zion Chapel ninth-grade and their chaperones left for a weekend at Tower Beach, Ft. Walton, Florida. Taking the trip were Nina Jo Sanders, Faye Ruthe Walker, Betty Swain, Virginia Grissett, Mary Alice Barr, Joan McDurmont, Augustus Griswold, Donald Griswold, Kenneth Johnson, Glen Crawley, James Flowers, Charles Wambles, Junior Kelley, Harold Eddins, Morrell English and Franklin Fortune.

generosity and sympathy for his fellowman.

MacArthur Campus Selected As Test Site By Air Force Tactical Communications Test Office

Dr. Raymond Chisum, President of Douglas MacArthur State Technical College, has announced that the college campus has been selected as a test site by the Air Force Tactical Communications Test Office in Fort Huachuca, Arizona. Tests will be conducted during the month of August.

The Air Force Test Office is conducting tests on the AN/TRC-170 Digital Troposcatter Radio. Testing includes gathering sufficient data to write a systems manual on radio link engineering in the 4.4-5 GHz range. A vital part of the test is gathering weather information in the common volume. The city of Opp has been identified as the radio link between Maxwell Air Force Base and Eglin Air Force Base, according to Major James W. Nye, USAF.

The tests will involve balloon launchings on a regular basis, typically four launches a day, five days a week, at six-hour intervals. This number might be increased depending upon the need of the tests, according to Major Nye. Plans are to locate the test facility adjacent to the Textile Technology Department and overlooking the lake.

Dr. Chisum has agreed to conduct seminars on the tests for students at MacArthur Technical College as well as for interested citizens during the period of the tests.

Brainstorms

By FERRIN COX

School students in Alabama scored above the national average on the California Achievement Test, yet get credit for spending very little on education. . . in fact our contribution on a per-pupil basis is considered the lowest in the nation. In spite of some glaring spots of unqualified people in education - as in any other business - our teachers are dedicated to educating the children who come to school. We don't know if it would improve the scores of our children if we put an extra \$100 per student into the system, but we know it would help some of these other states if their educators visited Alabama and watched our teachers at work. Then we again hear that distant nagging voice accusing us of "teaching the test" rather than testing the knowledge the student has learned. The only way to eliminate this last claim is to allow the students to make low grades, or at least a little below the national average.

Sirhan-Sirhan, the man convicted of shooting to death Senator Robert Kennedy, is seeking parole from a California prison. He says that if Kennedy were alive, he would want this. Well heck, if Kennedy were alive, the man never would have been convicted of shooting him. We oppose the release of this man. All the information we have filtered from the news indicates he wouldn't hesitate to do the same thing again.

We were almost called a liar one day this week when a friend asked if we had caught any fish during the weekend. When our comment was that we hadn't had time to go fishing, there was a look of doubt and his mouth opened to say something, but he checked his comments and closed up without uttering that first gut reaction. After a few seconds, he regained his composure, and all is well now. Truthfully, Hedy had me busy and I didn't even wet a hook.

The cross-burning incident in the yard of Montgomery Councilman Knight is stupid. We wouldn't personally get upset over such a thing in our yard, because we don't fully understand what is meant by placing one in someone's yard; all we know is that someone disagrees with something you said or did, and that is America. If we wanted to help Councilman Knight I support in his argument with Mayor Folmar, then we would do just what someone did this week - burn the cross - and that gets a lot of folks upset. Then too, there is the possibility that friends of Knight's did set the fire and for the sole purpose of getting publicity and jelling support for the cause. We don't know, but we are glad the problems are in Montgomery and not in Coffee County.

If we must have problems somewhere, let them be in Montgomery. A group of Auburn fraternities has voted to make the rush season a dry one. They will not be drinking with each other for passing out the most beer and whiskey to the incoming freshmen in an effort to get them to join the fraternity. One student leader was quoted as saying the booze seemed to turn away the better prospective members. BRAVO! This is the best news we have heard all week.

My old friend John Holley is in Birmingham this week getting over a session with a group of surgeons who did a little surgery on his head. Any surgery is serious, but when they get into the head area we consider it sure enough serious, and for this reason we will let Mr. Holley off without the usual wisecracks we reserve especially for him. John Holley always seems to return our wisecracks with some a little better than he receives, but we enjoy every minute of it and are looking forward to more.

Representative Jimmy Holley has advertised three local bills he planned to introduce concerning Coffee County, but two of these have been withdrawn. The only one currently to be introduced is to put county school board members on an exact expense allowance instead of paying them mileage and per-meeting attended. The two dropped were dropped for different reasons. The one concerning car tags had some original supporters confused, and Holley dropped this one until the confusion clears. The third bill established a PUBLIC DEFENDER and there was considerable opposition from several areas. We opposed the "open-door funding" from the county general fund. Others, including a number of lawyers, opposed for other reasons. Finally after taking a poll, Holley discovered that instead of the majority of the county lawyers wanting the bill, the opposite was true, and he quietly laid this one to rest also.

We wouldn't be fit to serve on any jury trying a parent for beating a child to death. The one presently going on in Oark is a prime example. Witnesses testify of the child begging, "Please don't hit me any more," and this just tears this writer to pieces. We remember one case of child beating in which the child ultimately died; but lying on his death bed he professed his love for the person who had administered the beating. . . that is hard to take. Yet we see people with problems they can't handle, and the frustrations they have must come out in some way. It is a shame that too many times it is the innocent children who bear the brunt of these problems.

Bluegrass time is here again, and Friday and Saturday the music and festivities will be going on out on the Taylor Farm. All you Bluegrass lovers come on out and enjoy the music. See you there.

Letter To The Editor

Dear Ferrin: I would like to take this opportunity to personally express my appreciation for all the well written article in your May 12 issue concerning National Healthcare's acquisition of the Elba General Hospital and Nursing Home. It is our utmost desire to establish a good rapport with

Healthcare Conducts Seminar

National Healthcare, Inc. recently conducted a Management Seminar in Dothan, Alabama. The theme of the two day seminar was "Team Building," and attendees included from Elba General Hospital Dr. L. Bancroft Cooper, Mr. Jim Nichols, Administrator, Ms. Gene Kennett, Controller, and Ms. Marie Lepore, Nursing Director. The first day of the seminar was devoted to operational matters and attendees were presented guidelines for establishing medical staff committee meetings by Jim Blackmon of the Medical Center; they attended a Legal Workshop conducted by Ivan Wood of Wood, Luckinsinger and Epstein of Houston, Texas, and Bill Wayland, General Counsel of National Healthcare, Inc.; the physician group also participated in a Problem Solving Session wherein they were given the opportunity to share common problems they experience at their various facilities and draw upon one another's solutions to these problems. The nursing group was addressed by Sarah Leidel on Small Hospital Nursing Management; they too attended a Legal Workshop conducted by Ivan Wood and Bill Wayland; toured and had lunch at the Southeast Alabama Medical Center; were given direction in recruiting nurses by Joe Bolz, Executive Vice President of NHI; and participated in a Problem Solving Session. The group of NHI administrators received a review of the NHI Official Leaders Program presented from several areas. We opposed the "open-door funding" from the county general fund. Others, including a number of lawyers, opposed for other reasons. Finally after taking a poll, Holley discovered that instead of the majority of the county lawyers wanting the bill, the opposite was true, and he quietly laid this one to rest also.

ESJC GRADUATION: A record number of degrees and certificates were awarded at the seventeenth Commencement exercises at Enterprise State Junior College. Dr. Joseph Talmadge, ESJC president, talks with Mrs. S.A. Cherry, member, State Board of Education, 3rd District; and Dr. Byron Causey, president, Alexander City State Junior College, right, after graduation.

DEATH

MINNIE REECE ALLRED
Mrs. Minnie Reece Allred, age 89, died Friday, June 3, 1983, in an Oph hospital.

Funeral services were held Sunday, June 5, at 2 p.m. at the chapel of Hayes Funeral Home, with the Rev. Dr. Pat McFadden officiating. Burial followed in the Evergreen Cemetery with Hayes directing. Survivors include two daughters: Mrs. Betty Dame, Valdosta, GA; Mrs. Pat Murphree, Durango, CO; one son, Charles O. Allred Jr., Opp; seven grandchildren and 10 great-grandchildren.

Bohr; they also attended a Legal Workshop conducted by Ivan Wood and Bill Wayland; were in attendance with the physician group for the presentation of guidelines for establishing medical staff committee meetings; received a review of the Monthly Operating Report presented by Jay Russell, Controller of NHI; and Joe Bohr; received direction on Census Enhancement by Bill Cassels and Bill Walker, Senior Vice President and Treasurer of NHI. The NHI controllers participated in an Accounts Receivable Workshop led by Hank Williamson of South-east Alabama Medical Center; attended a Monthly Operating Report Workshop conducted by Joe Bohr and Jay Russell; toured the Southeast Alabama Medical Center; and participated in a Problem Solving Session.

The second day of the seminar was conducted by Dr. Rita Numerof who was assisted by Michael N. Abrams, Dr. Numerof is the author of many articles and books on management and organization development in the health care industry. Her most recent book, "The Practice of Management for Health Care Professionals" (American Management Association, 1982), is a welcome addition to the shelves of health care professionals and academicians alike. She is the president of her own company, Numerof and Associates, and is also an assistant professor at the George Warren Brown School of Social Work and an adjunct assistant professor of health administration and planning. School of Medicine, Washington University in St. Louis. As a faculty member of Estes Park Institute, Dr. Numerof has conducted a variety of

seminars on such subjects as team building, effective leadership and stress in organizational management for administrators, trustees and medical directors. Mr. Abrams is the Senior Manager of Organizational Development and Research with the Western Hemisphere Consumer Group of Clitcor. He is also an independent consultant to organizations on projects involving organizational development, employee relations, career development, manpower planning, assessment center development and evaluation. He has served on the adjunct faculties of Washington University in St. Louis, LaSalle College, School of Business Administration in Philadelphia and Pierce College in Philadelphia.

The seminar was climaxed by a banquet on Wednesday evening and featured Kurt Kilpatrick as the after-dinner speaker. Kilpatrick, a native of Jackson, Miss., and currently a resident of Birmingham, AL., is a cum laude graduate of the University of Mississippi Law School. He also has a bachelor's degree in radio-television public address from the University of Southern Mississippi. Kilpatrick was an award-winning television news reporter and has been cited for excellence in electronics journalism. A full-time motivational speaker now, Kilpatrick is also addressed more than 60 conventions and association groups across the country.

Miss Tucker-Mr. Stokes United In Holy Matrimony

Miss Shirley Gayle Tucker and John Norman Stokes were united in marriage Sunday, April 10, 1983, at three o'clock in the afternoon in a double-ring ceremony in the First United Methodist Church in Elba, by Rev. John Carmichael.

The bride is the daughter of Mr. and Mrs. Johnnie E. Tucker of Elba. The groom is the son of Mr. and Mrs. Johnnie S. Stokes of Andalusia.

Guests were greeted and registered in the vestibule by Mrs. James Kelsoe, sister of the groom, of Opp. The registry table was draped with a white Army-Navy tablecloth over white satin and held an arrangement of pink roses and baby's breath and a white feathered plume pen to register the guests.

An easel holding a large cross-stitched wedding sampler, made by Mrs. David Rickard, cousin of the bride, stood behind the registry table.

Mrs. Kenneth Baker, organist, provided pre-nuptial music. She accompanied Mrs. Mark Holt who sang "My Tribute" and "The Wedding Prayer."

A brass arched candelabra holding white burning tapers, and two brass candle trees were entwined with arrangements of fern and greenery. Large ferns were placed on each end of the altar rail. Two tall white wicker basket stands containing pink roses, white mums and pink gladioli stood on either side of the podium.

A large arrangement of pink roses, white mums and baby's breath was placed on the altar table. Pink roses, baby's breath and pink bows on the altar rail designated the place for the bride and groom.

The bride, given in marriage by her parents, was escorted to the altar by her father. Her gown was white Alencon lace and featured a deep scalloped flounce neckline accented in seed pearls. The veil, featuring a chapel-length train, was made of silk net trimmed in Alencon lace and seed pearls. She carried a bouquet of pink roses, pom-poms, baby's breath and white ribbon.

Mrs. Steve Adkinson, sister of the bride, served as matron of honor. Miss Kathy Tucker, sister of the bride, served as bridesmaid. Mrs. Joe Richardson of Niceville, Florida, sister of the groom, served as bridesmaid. Miss Stephanie Adkinson, niece of the bride, was junior bridesmaid.

The attendants wore floor-length gowns of pink and white silk organza over white satin featuring a ruffled neckline and a pink satin ribbon bow at the waist. They carried bouquets of pink roses, baby's breath and pom-poms. Circular bands of pink rosebuds entwined with baby's breath were worn as headpieces.

Mr. Jerry Stokes of Andalusia, brother of the groom, served as best man. Mr. Jim Kelsoe of Opp, nephew of the groom, served as groomsmen. Mr. Matt Richardson, nephew of the groom, was a junior groomsmen. Mr. Steve Adkinson and Mr. Joe Richardson served as ushers.

Ringbearers were Mr. Chad Adkinson, nephew of the bride, and Mr. Seth Richardson, nephew of the groom. Their pillows were hand-made by the matron of honor and featured the names of the bride and groom and their wedding date.

Mr. & Mrs. Stokes

RECEPTION
Following the ceremony, the bride's parents entertained with a reception in their home on Highland Drive.

Hurricane lamps with pink ribbon lined the walkway to the door where guests were greeted by the bride's parents.

The home was decorated by Mrs. Doris H. Cooper. Mrs. Cooper made the many beautiful arrangements featured in the home, patio and around the pool.

The bride's table was draped with a white Army-Navy tablecloth, and held the four-tiered wedding cake. Mrs. Frank Griswold of Birmingham served the cake. Also featured on the table was a five-branched candelabra entwined with roses and baby's breath. Punch was served from the large crystal punch bowl on this table. By Mrs. Ronnie Nicholson. Miss Gwendolyn Lindsey, cousin of the bride, passed out the napkins.

Parker, Opp.

PRE-NUPTIAL PARTIES

After-Rehearsal Dinner
Mr. and Mrs. James Kelsoe hosted the after-rehearsal dinner party in their home in Opp. They were assisted by Mr. and Mrs. Johnnie Stokes of Andalusia and Mr. and Mrs. Joe Richardson of Niceville, Florida. A delicious buffet dinner was served for the bridal party and out-of-town guests.

Kitchen Shower
Mrs. Josh Tatum Jr. and Mrs. Duke Tatum hosted a kitchen shower in the home of Mrs. Duke Tatum.

Seated Coffee
Mrs. Roscoe Deal, Mrs. Mae Bryant and Mrs. M.J. Lee hosted a seated coffee in the home of Mrs. Roscoe Deal.

Pantry Shower
A pantry shower was held in the home of Mrs. L.F. Imman. It was hosted by Mrs. Imman, Mrs. Ed Cooper, Mrs. Kasper Anderson, Mrs. Anase Brazelton and Mrs. P.H. Sellers.

Dinner Party
The Young Adult Sunday School Class of the Elba United Methodist Church hosted a dinner party for the couple in the home of Mrs. Mrs. Merrill Shirley.

Recipe Shower
Mrs. Tom Moates, Mrs. Carl Marler and Mrs. Ricky Parker hosted a recipe shower in the home of Mrs. Carl Marler.

Dinner Party
A buffet dinner party for the couple was held in the home of Mr. and Mrs. Doug Martin. It was hosted by Mr. and Mrs. Martin, Mr. and Mrs. Pete Dorsey, Mr. and Mrs. Paul Morrow, Mrs. Ted Vaughan and Mrs. Fred Smith.

Ricebush Shower
A party was held in the home of Mrs. Evelyn Olmstead in Andalusia for the bride and the employees of the Social Security Office in Andalusia, where the bride is employed. They prepared the satin roses containing bird seed for the reception.

Bridesmaids' Luncheon
The bridesmaids' luncheon was held in the home of Mrs. David Stokes, and co-hosted by Mrs. Stanley Prior.

The bride's table was draped with a white Army-Navy tablecloth, and held the four-tiered wedding cake. Mrs. Frank Griswold of Birmingham served the cake. Also featured on the table was a five-branched candelabra entwined with roses and baby's breath. Punch was served from the large crystal punch bowl on this table. By Mrs. Ronnie Nicholson. Miss Gwendolyn Lindsey, cousin of the bride, passed out the napkins.

Mr. & Mrs. Bradley Celebrate 50th Wedding Anniversary

Mr. and Mrs. Rufus Bradley of the Goodman Community celebrated their 50th wedding anniversary on Sunday, May 1, with a pretty reception in the fellowship hall of the Goodman Baptist Church.

Hostesses for this memorable occasion were nieces, great nieces, a brother and nephews.

The guests were directed to the entrance of the fellowship hall by nephews, Joseph Bradley and Billy Bradley.

The path to the entrance was adorned with white and gold ribbons. The table was covered with a hand-made ecru lace tablecloth and held the chocolate groom's cake and a variety of other delicacies prepared by the bride's mother and served on brass trays. An arrangement of ivy and two brass candelabra centered the table.

Mrs. David Stokes and Miss Anna Stokes presided over the registry table in the foyer.

Assisting with the reception were Mrs. Peggy Storey, Mrs. Elizabeth Dye, Mrs. Elaine Martin, Mrs. Ella Jean Vaughan, all of Elba; Mrs. Leigh Rickard, Troy; Mrs. Cinda McLendon and Mrs. Donna Caldwell of Ozark; Mrs. Carolyn Moates, Enterprise; and Mrs. Susan

Dawn Smith In Miss Teen Of Alabama

Dawn Smith, daughter of Mr. and Mrs. Wayne Smith of New Hope will be competing for the title of Miss Teen of Alabama June 17-19. Miss Teen of Alabama will win an all expense paid trip to the Miss Teen of America Pageant, a \$1,000.00 cash college scholarship program unique in its selection of state and national participants. The pageant utilizes six judging divisions to find the most outstanding young women

from around the country. They are: scholastic record, service and achievement, personal development, poise and appearance, judges interview and general awareness.

A charity event, the judging activities, and production rehearsals lead up to the Miss Teen of Alabama Pageant Finals to be held at the Oak Tree Inn of Bessemer of Sunday afternoon, June 19, at 4:00 p.m.

Dawn Smith

Choctaws Schedule 4th Festival

Indian dancing, colorful costumes, delicious food and lively music are only a few attractions at the fourth annual Mowah Choctaw Indian Spring Festival, scheduled for June 16-18 in McIntosh at McIntosh High School. The event celebrates the independence of Alabama's Mowah band of Choctaw Indians.

The Mowah Choctaws are a segment of the original Choctaw Nation which avoided removal and have migrated and live together for almost 150 years. Each year, on the third weekend in June, the Indians return to McIntosh to visit families and friends who remained on or near the original site base. Traditionally, these gatherings are celebrated with dancing, feasting, contests and games.

This year, Indian dancers from all over the nation will compete for \$2,000 in prize money. An arts and crafts show will spotlight artwork of each corner.

The three tiered anniversary cake was embossed in white spun sugar and decorated with white and yellow daisies and green. The table was covered with a hand-made ecru lace tablecloth and held the chocolate groom's cake and a variety of other delicacies prepared by the bride's mother and served on brass trays. An arrangement of ivy and two brass candelabra centered the table.

Newton Graduates

Sonya Danford Newton graduated from Bob Jones High School, Madison Alabama, May 21.

While there she was a member of the National Honor Society and Beta Club.

She is married to Bobby Newton formerly of Elba, and is the daughter of Ronnie and Sheila Danford of Enterprise. She is the granddaughter of Margaret B. Smith and Henry J. Smith, Elba, and Mr. and Mrs. Charles H. Danford of New Brockton, and the great granddaughter of Nannie B. Danford New Brockton.

The son, Rev. William Edward Grant, is married to the former Linda Gayle Strickland, and they are the parents of one son, William Wesley, age two. Their pastorate is at Columbia, Alabama, having moved at the beginning of June from Bascom, Ga. The Grants' other family member is their small poodle, "Boy," whom they found in a parking lot some years ago. After no one answered their ad about the little lost dog, they just kept him.

Grant is a full-time local pastor at New Brockton.

For I testify unto every man that heareth the words of this book, If a man shall add unto these things, God shall add unto him the plagues that are written in this book.

Rev. 22:18

Grant Is Pastor At Brockton

New pastor at New Brockton United Methodist Church, Rev. Lister Grant, Rev. Grant and his wife Betty come from pastorate of the McKenzie, Alabama, United Methodist Church.

Third in the line of Methodist ministers, Rev. Grant's grandfather, Marion Wesley Grant, was a Methodist minister, serving mostly in Wilcox County, Alabama. His father, Marion Edward Grant, began in the Methodist Protestant Church and around 1910, the church split and he went with the losing faction, which lasted only about a year. He then became associated with the Methodist Episcopal Church South.

Further down the line, the Grants' son, William Edward, is also a Methodist minister. However, the son became a minister before the father - at age 19, in 1974. Rev. Lister answered the call to the ministry in 1978, after hearing it for many years. His first appointment was on the Bascom Circuit near Thomasville.

Rev. Grant is a native of Crenshaw County and was reared on a farm, along with two brothers. His father died when he was six months old, leaving his mother to bring up the three children.

Life took him into many avenues before the ministry: first as a farm hand, then a moving company, and lastly a wholesale grocery company, where he was working when he finally gave in to God's call.

Betty (Clickner) Grant was raised in a town called Washington Court-house. It was here her husband met her while on a government sponsored farm trip in the 1940's and they were married.

Rev. Grant's namesake is

The son, Rev. William Edward Grant, is married to the former Linda Gayle Strickland, and they are the parents of one son, William Wesley, age two. Their pastorate is at Columbia, Alabama, having moved at the beginning of June from Bascom, Ga. The Grants' other family member is their small poodle, "Boy," whom they found in a parking lot some years ago. After no one answered their ad about the little lost dog, they just kept him.

Grant is a full-time local pastor at New Brockton.

For I testify unto every man that heareth the words of this book, If a man shall add unto these things, God shall add unto him the plagues that are written in this book.

Saved To Serve

If I understand God's intent for Christians after they have been saved, He intends for them to actively serve Him. But, in the twenty-one years I have been a pastor, I have seen far more people seeking to be

Students And Adults Plan European Tour

A group of 10 students and adults will be traveling for fifteen days during seven Western European countries this summer under the auspices of the program entitled EUROPE '83, jointly sponsored by American Express Travel Service and the United States Achievement Academy. All travel arrangements will be handled by American Express, and USAA will provide materials for a study program to be conducted by the teacher-counselor who will accompany the group.

Mrs. Mary Young said, "I offer. They are not willing to become a part of the opportunity of traveling with my students, some of their parents, and several other adults. The travel itself will be very rewarding and educational, and the curriculum guide and materials provided by the United States Achievement Academy will make this trip a real learning experience as well."

We will be better Christians and God's work will be better done when we ask: not what the church and God can do for us, but what we can do for the church and God?

For I testify unto every man that heareth the words of this book, If a man shall add unto these things, God shall add unto him the plagues that are written in this book.

SARA E. HUTCHINSON

PRESSURE COOKER GAUGE TESTING
Don't forget, I will be at the Human Resource Center on Lee Street in Enterprise on June 1, from 10:00 a.m. to 2:00 p.m. to test pressure cooker gauges. This service is free and takes about 2 minutes. If you can't be at the center during these hours, leave your name on your pressure lid and pick it up at a later time. Only gauges which have numbers (no weights) can be tested.

SHOWER FOR BRIDES-TO-BE
The busiest time of the year for weddings is already here, along with weddings are lots of wedding showers. If you are involved in giving a shower, how about this fresh new idea? Give the bride-to-be a make-a-meal shower.

PETITE FASHIONS
If you're one of the many petite women (5 feet, 4 inches) you probably have trouble finding ready-made clothing that fits properly. Fortunately, in the last few years, more manufacturers have started to specialize in petite fashions. These companies scale styles to fit the smaller, petite figures.

RECYCLE REMINDER
The products that carry the recycling symbol are the ones that have three arrows forming a circle. The arrows mean that the product is packaged in a carton or wrapper made from recycled paper. In terms of your health, that means you'll breathe clean air, and there will be less trash.

HORTICULTURE TIPS

DAN J. PRESLEY

THINNING FRUIT
Each fan only uses about 100 watts. At six cents per kilowatt-hour, the fan costs six cents for every 10 hours or about 42 cents per week. You can't be that with an air conditioner!

CEILING FANS
Ceiling fans, which use only slightly more power than a large light bulb to operate, are very efficient home furnishing items. Each fan only uses about 100 watts. At six cents per kilowatt-hour, the fan costs six cents for every 10 hours or about 42 cents per week. You can't be that with an air conditioner!

WEEKLY MENU SUGGESTIONS
Our two foods and nutrition specialists at Auburn have prepared a booklet entitled "Making It Through Hard Times—With Good Family Meals." The booklet has 3 weeks of menu suggestions for the family. It shows how you can serve your family good meals for less money.

PEAS
Southern peas continue to look very poor in a lot of gardens. If you have peas turning yellow and dying, you are not by yourself. I have checked that are in this category have very few roots alive, if any, and this root damage seems to be associated with wet soil. If your garden has any shade, it seems to be in this area where the ground warms up the slowest in the morning.

All Around Coffee County

THOMAS C. CASADAY

MOLE CRICKET UPDATE
Mole crickets damage lawns by feeding on roots, stems, leaves and by tunneling up the grass. They leave holes in the ground about the diameter of a pencil. The tunnels they make give the turf a spongy feel as you walk across it. They are seldom seen during the day. They do most of their dirty work at night.

TIMBER MARKETING
Sometimes pulpwood buyers convince landowners to clear-cut 25-year-old pine plantations by offering what sounds like a large sum of money. They tell the landowner their timber will never be worth as much again as it is today. That may be true in the eyes of the buyer but a sawtimber buyer may have a completely different opinion.

RABBITS
Jackie Davis in the Ino Community and his family are in the process of building a 30 by 60 foot rabbit growing facility. Davis is concentrating on the New Zealand white. He has a couple of dozen does now and plans to add about 15 does each month until he has 40 to 50 regularly producing does.

LIQUID LEVEL IN JARS
How can you prevent the liquid level in home-canned foods from dropping? There are many factors that cause liquid loss from jars during processing. Perhaps one of the following causes was the result of your problem. There may have been an excess of air in the jars; be sure to remove air bubbles. The food may have been packed too tightly or too full causing the food to boil over and start a siphoning action. It may be that the lid was partially sealed. Partial seals tend to lose liquid. Be careful that the lids are centered on the jar and bands are screwed down evenly and firmly. If liquid loss occurs during pressure canning, be sure that the pressure is kept constant and the canner is allowed to cool slowly.

SCHOLARSHIP
The Alabama Farm Bureau recently gave \$250,000 to Auburn University for agricultural scholarships. They are awarded to students who are interested in agriculture and who are planning to major in agriculture and also upper-classmen.

Views From

THE PRESSBOX

By, Ricky Mularz, Editor

I'm writing this week's column a week early due to an out of state trip, so, I don't really know what to write about. Oh, well, at least I'm trying....

ZION CHAPEL COACHING STAFF COMPLETED

The Zion Chapel High School football coaching staff will have a new look next season, but for me it'll just be some old familiar faces! John Frank Hudson had become a part of Elba High School football in recent years, but made a good choice in going back to his old stomping grounds. The Rebels are loaded with talent, have good depth and should be a very good Class A team next season. With the addition of Coach Hudson, the team could be one to keep an eye on.

Assistant Coach Tom Moates married an Elba gal, making him almost a native, and I remember him from his days as an assistant at Coffee Springs. Moates did a good job at Coffee Springs, but went unnoticed due to the highly vocal head coach, (Wayne Purvis).

Both coaches wanted the positions and should give the program a real boost with their enthusiasm and expertise. Yep, it's going to be interesting up at ZCH!

MEN'S SOFTBALL LEAGUE IS VERY COMPETITIVE.

The men's softball league is scheduled to end its opening round this week and that means it is time for the real fun to start. The league will be split in half according to team records and right now the standings are too close to make a guess on which teams will get in which division. The Elba Exchange Bank and Peoples Bank are set in the "A Division" and you can go ahead and put Southland and West Release in the "B Division"; however, the other teams are all running neck-and-neck and it won't be until after the rainouts are played before the split can be made. This is one of the most balanced and competitive leagues we've ever had, and it's only half over.

YOUTH BASEBALL SEASON IS ALREADY WINDING DOWN.

It's kind of hard to believe, but both the Dixie Youth and Babe Ruth seasons are in the homestretch! The Dixie Youth season has only 9 more nights of action, while the Babe Ruth season will come to an end Monday week (June 20). Both leagues are enjoying good seasons and it looks like the league champs won't be crowned until the last night of action. C'mon out folks, it's free and it's fun!

I JUST HAD TO WATCH THE SIXER WIN IT ALL.

I know I wrote I'd never watch another NBA playoff game, but I just had to turn on the TV Tuesday night and watch Philadelphia "C-REAM" Kareem and the Lakers. The Sixers had a confident team that never thought of losing and it showed as they came back in the second half and completed the sweep. Shoot, I enjoyed the game so much I even started to like Bill Russell's commentary.

IF WE GET A NEW POOL LET'S....

I know it's a big if, but if Elba does get a new swimming pool I'd like to see the city fathers build it at the Legion Field complex and not up at the new softball fields. The Legion Field complex is a "youth park", with the baseball fields, basketball court and one tennis court, and it is within easy bike-riding distance from almost all of town (with 4-lane roads). The new Hawkins-Williams park was at one time discussed as a means of separating the youth and the adults. It will house softball, a horse arena and possibly 4 tennis courts and will ideally suit the needs of our young adults (16 and up) and older adults. I think it would be dangerous for kids to ride bikes up 125 (especially the 2-lane portion) and I can't believe kids' parents would want them to cross the crooked Whitewater Bridge!

The city owns the land at Legion, why not put it to good use?

PLAYERS OF THE WEEK

It took a lot of time to pick this week's honored players, but after much deliberation here we go....In Dixie Youth the "Player of the Week" is Ralph Sanders of the Pirates. Ralph turned in a good week behind the plate, got 4 hits in 7 at-bats and scored 4 runs. Good credentials! Up in Babe Ruth the "Player of the Week" is Mick Phillips of the Reds. Mick tossed a 1-hitter, struck-out 8 batters and walked only one in a super performance. A deserving player!

Enterprise Country Club

Will Host Golf Tourney

The Enterprise Country Club will host a "4 Ball" golf tournament on Saturday and Sunday, June 11-12, and Enterprise Country Club numerous openings are still available. The entry fee is \$70 per team and to enter call James Helms at 347-0150 or 347-2726.

Exchange Bank 10-0 Midway

Men's League Play

Elba Exchange Bank finished the first session with a perfect 10-0 record to take the first half title. Following in the standings are Peoples Bank 7-2, Hickman Movers 6-2, Hickory Pit 5-3, Hammond's Body 4-3, New Brockton 4-4, Cook Chevrolet 3-5, Elba Merchants 2-6, Kelley's Packing 2-8 and Southland Brothers tied with Work Release with a 1-6 record.

Hickman Movers 11 Elba Merchants 1

The Hickman Movers led all the way to bounce the Elba Merchants 11-1. Danny Sanders got 3 hits to pace Hickman, while Tommy Adams, Craig Smith and Ronnie Adams all added 2.

Both coaches wanted the positions and should give the program a real boost with their enthusiasm and expertise. Yep, it's going to be interesting up at ZCH!

Mets Dominate Dixie Youth Action

The Dixie Youth Baseball league continues to role along as the Mets improve their record to a 6-1 state. Standings thru Thursday, June 2 show the Mets on top followed by the Yankees at 4-4, Tigers 2-2, Astros 3-3, Cardinals 2-5 and the Pirates with a 3-5 record.

Pirates 8 Cardinals 7

The Pirates pulled out to a 6-2 lead midway thru the game and held on to post an exciting 8-7 win over the Cardinals. The Cardinals led 2-0 after one inning, but the Pirates came out hitting in the second and third and pulled away to claim the win. Audie Fudge, Scott Kidd and Brett Bryan got 3 hits apiece for the Pirates, Ralph Sanders and Chris Thomas both added 2, and John Jacobs and Audie Fudge had one each. Willie Flowers got 3 hits for the Cardinals, Stevie Sails, Chris Armstrong and Steve Bozeman

Mets 13 Yankees 3

The Mets continued to dominate the league by rolling past the Yankees 13-3. The Mets combined 4 hits with 2 walks in the opening inning to grab a 5-0 lead and coasted in with the easy win. Hayden Young and Greg Hanchey got 2 hits each for the Mets, while Barry Bryan, Tim Sullivan, Jason Grier, Phil Bogan, Mark Matthews and Scott Morris all got one. Jeff Kelley got 2 hits for the Yankees, while Wade Hart and Jason Jones both got 1.

Astros 8 Pirates 7

The Astros pushed across a run with one in the bottom of the seventh-inning to post an exciting 8-7 win over the Pirates. The Pirates

jumped out to an early 3-0 lead in the game and led 7-5 going into the bottom of the sixth, but the Astros rallied to send it into extra innings and then claimed the win! Moore got 2 hits apiece for the Astros, while Bill Bennett added one. Ralph Sanders got 2 hits for the Pirates, while Wade Hart and Jason Jones both got 1.

Astros 8 Pirates 7

The Astros pushed across a run with one in the bottom of the seventh-inning to post an exciting 8-7 win over the Pirates. The Pirates
